Mr. Fitzgerald also directed the at-tention of the President to the fact that Republicans are now holding office in

Brooklyn and appear to have a life tenure on their jobs. In fact some of them were holding these places when Mr. Fitz-gerald was a little boy. Mr. Fitzgerald enumerated the office of United States Marshal, United States District Attorney, Collector of Internal Revenue and the

Collector of Internal Revenue and the Surveyor of New York.

In contrasting the sad fodder of the Democrats to-day with the clover on which the Republicans feed, Mr. Fitzgerald pointed out that when F. J. H. Kracke stepped out of the position of Naval Officer of the Port of New York he did not find himself confronted by a cold, unsympathetic world. The Brooklyn organization observed that Mr. Kracke was soon in the position of Bridge Commissioner under Mayor Mitchel.

the naval officer, so long occupied by Mr.

Mr. Wilson—with what result will soon

Mayor of Philadelphia Will Advocate Seats for Women Only.

PHILADELPHIA, March 4 .- Councils will receive to-morrow a message from the Mayor recommending the passing of an ordinance compelling moving picture thea-tres to provide a section of seats exclu-sively for women. This is the result of an sively for women. This is the result of an investigation by Dr. Porter into conditions in the moving picture places and of a suggestion by City Solicitor Ryan looking toward the "segregation of sexes."

While Mr. Fitzgerald was not disposed to comment on his talk with the President, is understood the Brooklyn member operations of the sections will do away with any "firting" which may be under way and will guard against the possibility of women being insulted under cover of the semi-darkness.
